

The organizers \_\_\_\_\_ Ms. Space Debris,  
Queen Of All That Is Sputnikfest—the glitteriest jewel in the tiara of what is arguably one of the Top  
Pageants in the entirety of Manitowoc County.

Like all pageants, Ms. Space Debris will be expected to exhibit talent, poise, grace, confidence and fashion sense above and beyond other members of the Galaxy. Although the title is “Ms” Space Debris, contestants do not necessarily have to be of the female gender. All that is required is that they must be a “human life form.”

The new Ms. Space Debris will receive  
\$150 IN CASH  
1 YEAR OF FREE HAIRCUTS AT ROSE COLORED GLASSES SALON & SPA  
4 COMPLIMENTARY PASSES TO “The BreakWomb” 11-17-17 AT THE CAPITOL CIVIC CENTRE  
A SPUTNIKFEST HOODIE

Ms. Space Debris will reign over Sputnikfest, faithfully executing the duties involved in being the Monarch of an Intergalactic Festival. Wearing a cosmic crown and wielding a space-age scepter. Presiding over wacky, tacky events like the, Sputnikfest Costume Contest and the Alien Pet Competition, and participating in a handful of promotional events scattered throughout the following year.

The competition will take place in the early-evening hours of Friday, September 8th, and consist of three (3) categories:

- A Space-Age evening attire (also known as a costume)
- A display of talent (at least what is loosely referred to as talent)
- A brief question-and-answer period (don't worry, these questions were created in the spirit of Sputnikfest....wacky and tacky)

All interested parties should fill out the bottom portion of this form and submit with a recent photograph to: Rahr-West Art Museum, 610 North Eighth Street, Manitowoc WI 54220 ATTN: Miss Space Debris. You may also submit via email at [rahrwest@manitowoc.org](mailto:rahrwest@manitowoc.org) or by calling 920-686-3090.
