The undersigned requests permission to repair construct: pier wharf dock jetty boat ramp other _____

and have submitted the attached plans and specifications for approval by the City Engineer.

The project is located at _____ (attach a location map).

The purpose of the improvement is _____ and construction will begin on _____ and be completed by _____. All DNR and Army Corps of Engineers permits will be acquired before the work commences as well as any other necessary Federal, State or Local permits. All requirements of applicable Wisconsin Statutes (including 30.13) will be met. Copies of any permits or approvals will be forwarded to the City Engineer's office before the work begins.

In the event that this permit is granted, the Applicant agrees as follows:

1. To comply with all applicable laws, statutes, ordinances, regulations and any special conditions, restrictions or orders as may be imposed by the Director of Public Works or his designee.
2. To indemnify and save harmless the City of Manitowoc, its officers, employees and agents against any and all liability for injuries, damages and costs, including actual attorneys fees, resulting from or arising out of any actions of the Applicant, its agents, employees or subcontractors related in any way to the use of the waterways for which this harbor permit is granted. Acts of the Applicant for which the City of Manitowoc is indemnified hereunder shall include, but specifically not be limited to, failure to adequately warn members of the public of the work being performed and failure to properly perform such work.
3. To place appropriate warnings as needed or as directed by the Director of Public Works, and take any reasonable safety precautions required as a result of any work performed in connection with this harbor permit.
4. To provide an Irrevocable Letter of Credit in the amount of \$10,000 from a financial institution acceptable to the City on a form approved by the City in order to secure compliance with these conditions.
5. To restore the construction area and surroundings to the previous condition.
6. During construction, erosion and sediment control will be a priority and damage to the waterways and lands will not occur.

I completed this permit, attached appropriate information and have read the conditions of this permit and agree to conform to its contents. I further agree to contact the City Engineer's office if any conditions change regarding this project for further instruction. I understand that the City has no legal obligations explicit or implied as a result of this permit and that I am alone responsible for the project described.
