**Manitowoc Police Department**  
**910 JAY ST**  
**MANITOWOC, WI 54220**

**Purpose of Notice:** To provide information and education to the citizens of the City of Manitowoc about the residency of a sex offender within the city limits.

Pursuant to Wisconsin Act 440, and Wisconsin State Statute 301.46 (2m), the Manitowoc Police Department has been notified by the Wisconsin Department of Corrections of the release of a sex offender into the community. Notification of the release is being made to public and private organizations and agencies in the interest of public protection. The Manitowoc Police Department participates as a member of a multi-jurisdictional law enforcement team in determining which agencies/organizations should be notified of the release. The intent of the team is to balance the public's need to be informed with the offender's need to be successfully integrated into the community. The individual has served the maximum sentence imposed upon him by the courts. **The person who is the subject of this notice is not wanted by the police at this time.** This notification is not intended to increase fear; rather it is our belief that an informed and educated public is a safer public.
