				Stocks Mfg.	Mark Eberhart/Pat Weier	684-8611/686-0968	794-6348

This schedule begins 11/9/09 and ends the week prior to each team's last game. Attendants and coaches please check in with the building custodian at the end of the evening before you leave. The facility should be as clean or cleaner than it was when our program began. This includes gyms, locker rooms, bathrooms, lobbies and hallways used by our program participants. We have an excellent relationship with the school district. Let's keep it that way. If anything changes I will let you know.

There are no practices scheduled for the weeks of November 23, December 21 and 28 at this time. Note - Not available dates above mean that the gym is not available to us on that evening. I will call you if the location changes on that night. Otherwise, assume there is not a practice that night.
