The task force met on the 3rd and discussed recent shoplifting trends and bad checks written throughout Manitowoc. Meeting attendance was low due to the changing dates of the meetings.

Crime Prevention Committee Activities/ Projects/ Scams

The Crime Prevention Committee is interesting in sparking the neighborhood watch program again because of recent success throughout the city. During this section of the meeting it was suggested by a member to look into a citation for bullying due to the recent establishment of such a citation in Menasha and Monona, Wisconsin. A presentation will be given at the next meeting about the recent establishments of these citations and their successes or failures in neighboring communities. Another topic discussed at this meeting was a memorial for long time volunteer Dick Weber. The committee decided to have a member look into pricing a plaque and bench as a memorial for Dick Weber.
