

**COMMITTEE ON PUBLIC UTILITIES AND LICENSING**

**MONDAY, April 5, 2010**

Committee on Public Utilities and Licensing met at City Hall on Monday, April 5, 2010, at 5:00 p.m. in the First Floor Hearing Room - East.

Aldersperson Dean Graunke called the meeting to order at 5:00 p.m.

Present: Alderspersons Dean Graunke, Dave Soeldner, Jason Slacky, Scott McMeans and Christopher Able.

Absent: None.

Also present: City Clerk Jennifer Hudon, Dir. of Public Works/City Engineer Valerie Mellon and Transit Manager Derek Muench.

Transit Manager Derek Muench addressed the committee with regard to bringing the bus cleaning back in house. After studying the routes and ridership numbers, his recommendation is that service be cut back an hour to help keep costs down and in line with a healthy budget. It is an opportunity to have our staff maintain and clean the buses at the end of their shift.

Discussion followed. Committee would like more information. D. Muench to survey those riders who will be affected by the change.

Moved by Aldersperson Able, second by Aldersperson McMeans, and unanimously carried, meeting adjourned at 5:30 p.m.
