1. Called to Order at 4:00 by D. Weber
2. L. Denamur made a motion to approve the Previous Minutes dated 1/26/10.
Seconded by A. Schuette. Motion carried unanimously.
3. Communications:
 - A. Peggy Seidl – employee parking during Dermatology Associates construction project.
P. Seidl is employed at Beerntsen's and her concern involved parking in the City parking lot at Maritime Dr and N. 9th during Dermatology Associates construction project. She requested that the 2 hour parking spaces be available for all day parking during construction. V. Mellon distributed a map of the parking lot pointing out the stalls that are currently leased and explained that those that are not leased are 2 hr Parking. Further discussion was had about the long standing policy that designates 2-hour spots for customers and that businesses have always been encouraged to make Leased Parking arrangements to provide their employees with all-day parking. R. Wolfe made a motion to deny the request. E. Sitkiewitz seconded. Motion carried unanimously.
