Gregg Kadow gave an update on the raze and repair orders of structures. First round of letters went out. One is going directly to a raze order. The letter sent to the former Hmong Church at 424 North 7th Street came back to them. They did have a chance to get inside the building and the structure was very solid. They will be working with the owner to get the building repaired as they are hoping to sell it to someone from Milwaukee. They did get a list of properties owned by the county. The 416 St. Clair Street which Alderperson Able questioned is on that list. They are currently working with the City Attorney on how this property will be treated because it is owned by the county. Alderperson Kummer encouraged Gregg Kadow to stick to a lesser time line when advising owners they have to get their buildings repaired so people don't take advantage of the time line. Alderperson Kummer did bring pictures of the Riverview Apartments because they are working on getting that cleaned up. The front door in the main lobby area is broken in again. This had previously been repaired. The committee was satisfied with how the policy was working and had no further questions or concerns.

This Policy was discussed

Moved by Kummer, seconded by Sladky, that this Request be placed on file. The motion carried by the following vote:

[Superintendent Mark Holzman Letter](#)

Principal Duane Simmons read a letter from the Manitowoc Public School District Superintendent Mark Holzman. Mr. Holzman stated that the funding for the flashing crosswalk sign should be the responsibility of the city and the use of education dollars to fund this project would not be appropriate. Alderperson Soeldner stated he will not approve the city funding the complete project. Alderperson Sladky made the suggestion that they relocate one of their crossing guards to the Menasha Street location. A motion was made to deny the request and place on file by Alderperson Soeldner. The vote was 4-1 with Alderperson Able opposing.

Moved by Soeldner, seconded by Sladky, that this Request be denied. The motion carried by the following vote:

Per Dan Koski from DPI the agreement is drafted and it is at the Attorney's office for review. Per Alderperson Able if they get the agreement completed between now and January 16th, 2017 which is the next council meeting it can go directly to council for approval.

Per Dan Koski from DPI there is no issue with putting in the crosswalk. That route is and will remain on the bus route. He suggested that this would have to be done in epoxy. Alderperson Able made a motion to approve this request. This will be included in the 2017 epoxy bid which will put the installation time between May and August.

Moved by Able, seconded by Sladky, that this Request be approved for consent agenda. The motion carried by the following vote:

[16-1182](#) Request for a No Parking Here to Corner sign on the corner of South 14th Street and Grand Avenue.

Citizen Steve Riske voiced his concerns about the cars parking to close to the stop sign on South 14th and Grand Avenue especially on Sundays during church services. Per Chief of Police Nick Reimer the accidents at this four way stop are minimal. Police Chief Reimer will contact the parish so he can advise them that they need to follow the 15 ft. parking from crosswalk ordinance. The police department will also follow up with enforcement if need be. Alderperson Able suggested the committee revisit this in 3 or 4 months. If Mr. Riske is seeing a lot of trouble before that he should let the committee know.

Attachments: [South 9th St and 11th St.](#)

Aldersperson Soeldner felt it would be best to leave it as it is. Aldersperson Able stated we control as few intersections as possible because they are in a residential area and people should know they need to slow down.

Moved by Soeldner, seconded by Sladky, that this Request be denied and placed on file. The motion carried by the following vote:

Aye: 5 - Able, Sladky, Soeldner, Czekala and Kummer
