MARITIME METRO TRANSIT PASSENGER BEHAVIOR POLICY

I. PURPOSE

It is the mission of Maritime MMT Transit (MMT), a division of the City of Manitowoc, through the efforts of dedicated, well-trained employees, to provide safe, reliable, convenient, and efficient public transportation to the citizens and visitors of the MMT service area. MMT has established this Behavior Policy to promote the safety and comfort of its riders, to facilitate the proper use of transit facilities and services, to protect transit facilities and employees, to assure the payment of fares and to ensure that MMT vehicles and facilities are safe, welcoming and provide equitable access for MMT passengers. Responses to inappropriate and/or illegal conduct are outlined here.

II. OVERVIEW AND DEFINITIONS

No individual may engage in inappropriate conduct on, at, or in the facilities of MMT Transit, including at Transfer Points, in shelters, at bus stops, and at administrative, operational, and maintenance facilities, or on buses used to provide MMT fixed route or paratransit services.

Inappropriate conduct includes any individual or group activity which is disruptive or injurious to other individuals lawfully using MMT facilities or services; damaging or destructive to transit facilities or services; or disruptive, harassing, threatening or injurious to transit employees. Inappropriate conduct may also constitute a violation of an ordinance or criminal law. The fact that an individual is or is not charged or convicted of an incident of inappropriate conduct does not bar investigation and/or exclusion under this Policy.

The term MMT Transit or MMT means the City of Manitowoc, MMT Transit Division. The term "facilities" means all property and equipment of MMT Transit, including, without limitation, inside and outside areas of MMT Transit (City) property, bus shelters, bus stops, transfer points, signage and buses used to provide MMT Transit service.

The term "MMT Transit facilities" includes both the public and non-public areas of MMT facilities.

The term "public area" of MMT Transit facilities includes those portions of facilities that are open for public use for transit or transit related purposes.

The term "transit services" means fixed route bus service and complementary paratransit service.

III. LEVEL I INAPPROPRIATE CONDUCT ON BUSES

For any of the following inappropriate conduct on buses, persons will be given a first warning by the Bus Operator not to engage in the conduct. If further warning by the Bus Operator is necessary for failure of the passenger to comply, an MMT Supervisor may be contacted and may be called to the scene by the Bus Operator. The Supervisor is authorized to and may ask the passenger(s) to leave the bus. An individual who declines to leave a bus after being ordered to do so by the MMT Supervisor is subject to arrest and prosecution for trespassing and or disorderly conduct. Continuous repeat infractions may result in exclusion from buses for not less than 7 days or more than 6 months. See Section VI, Exclusion Procedure.

VI. TRANSIT EXCLUSION PROCEDURE

After staff determine that there have been repeated or serious incidents of inappropriate conduct by an individual, and it is determined that the individual involved should be excluded from transit facilities and/or services or that conditions should be placed on the individual's continued use thereof:

A. The Transit Manager will issue, or cause to be issued, to the individual involved a written exclusion letter from MMT facilities, including services as may be warranted. The letter shall indicate the reasons for the exclusion, the time period of the exclusion, and the facilities and/or services to which the exclusion order applies. If continued use of transit facilities and/or services is made subject to safety conditions or restrictions (eg., presence of a parent or guardian in the case of a juvenile; accompaniment by a personal care attendant or aide), a conditional exclusion letter may be issued specifying that the individual will be subject to exclusion unless the imposed restrictions are complied with. The letter shall also advise the individual of his/her right to appeal the decision and include a copy of the appeal procedure. The Transit Manager shall provide a copy of the letter to the Department of Public Infrastructure and will inform all staff involved, who have a need to know, about the reasons for and length of the exclusion.

B. At the discretion of the Transit Manager, a juvenile may be restricted to use of MMT services only when the juvenile is accompanied by a responsible designated adult for a designated period of time. The juvenile's parent or guardian must be notified of the restriction via certified mail. Failure to abide by the restriction may lead to exclusion under this policy.

VII. APPEAL PROCEDURE

A. Any appeal by or on behalf of the party subject to an exclusion order shall be submitted in writing to the Transit Commission within ten days after service by mail of the Transit Manager's determination. The communication shall state with specificity the grounds for the appeal. The determination of the Transit Manager to exclude an individual shall be stayed pending appeal to the Transit Commission. The Transit Commission shall review and may reconsider or modify the decision to exclude an individual, following investigation of the matter and shall specify in writing within fourteen business days of receipt of the appeal the reasons for rescission or modification, if applicable, to the appellant. The Transit Commission will seek review of a draft written response by the City Attorney's Office before issuing the response to an individual subject to an exclusion order.

Exclusion orders for Level I violations shall be stayed pending appeal to the PI Committee. Exclusion orders for Level II and Level III violations shall not be stayed pending an appeal, unless the PI Committee finds that a

stay is warranted and necessary under the particular circumstances. A request for stay shall be made in writing by the aggrieved party stating the specific reasons for the request.

C. Hearing: At the hearing, the appellant may be represented by counsel, may present evidence, and may call and examine witnesses and cross-examine witnesses of the other party. The staff shall record all of the proceedings on tape.

D. Decision: Within 30 days of the completion of the hearing, the PI Committee shall issue a written decision stating the reasons therefore. The PI Committee shall make a finding on whether it is more probable than not that the excluded individual engaged in the conduct which was the basis for the exclusion. Based on testimony and the evidence in the record, the PI Committee shall have the power to affirm or reverse the written determination or to remand it to the Transit Manager with instructions for reconsideration consistent with its decision.
