SUBJECT: Project I.D. 1500-37-00
US 10
Waldo Blvd, City of Manitowoc
County R – 8th Street
Manitowoc County

Project I.D. 4570-12-00 / 4570-14-00
WIS 42
Waldo Blvd, City of Manitowoc
8th Street – Maritime Drive
Manitowoc County

Dear Property Owner:

You are invited to attend a public information meeting for the upcoming reconstruction of US 10/WIS 42 (Waldo Boulevard) between County R and Maritime Drive in Manitowoc County.

The meeting will take place in the Manitowoc City Hall Council Chambers, first floor, 900 Quay Street, Manitowoc on Thursday, September 11, 2014, from 5 p.m. to 7 p.m. The meeting will follow an informal open house format. A short presentation is planned for 5:15 p.m. Representatives of the Wisconsin Department of Transportation (WisDOT) will be available to discuss the proposed project and address any questions or concerns.

Waldo Boulevard will be reconstructed from Fleetwood Drive to Maritime Drive. Project improvements also include Waldo Boulevard being resurfaced between County R and Fleetwood Drive, intersection improvements, addition of bicycle accommodations, storm sewer upgrades, replacement of the box culvert west of Fleetwood Drive, and rehabilitation of the bridge over the Canadian National Railroad. Project improvements also include a roundabout at Maritime Drive and a reconfiguration of the Menasha Avenue intersection. Construction is currently scheduled to begin in 2018, and be completed in 2019.

Your input is requested regarding the improvements being considered.

If you have any questions or concerns that may assist in the development of this project, we encourage you to attend the meeting. If I can provide additional information, you can contact me at (920) 492-4103 or by email at Brian.Haen@dot.wi.gov. Manitowoc City Hall is handicap accessible. People who are deaf or hard of hearing and require an interpreter may request one by contacting Brian Haen. To allow time for arranging assistance, please call or send email no later than three working days prior to the meeting.

Sincerely,

Brian Haen, PE
