Getting off the bus

About a block before you get to your bus stop, pull the cord once to signal the driver that you want to get off. Remain seated until the bus has come to a complete stop. Exit and wait until the bus has pulled away before starting to cross the street.

Lost & Found

Please remember to check your seat for personal items before exiting the bus. Articles found on the bus are routinely turned in at the end of each day. More valuable items (wallets, jewelry, phones, etc.) are immediately turned over to the Manitowoc Police department. If you leave a possession on the bus, call 920-686-3560. We will be happy to check if it has been found.

Bus Buddy Program

The "Bus Buddy" program pairs a rider with a knowledgeable, experience user of the bus. This is a complimentary service for passengers. Anyone can call to request a bus buddy to help them feel more comfortable and familiar with riding the MMT. Call 920-686-3560 at least 48 hours in advance to schedule your Bus Buddy.

Mobility
Devices
Welcome

All MMT buses are fully accessible including fold out ramps for easy boarding and alighting of passengers. Ramps fold out to accommodate passengers in mobility devices and passengers incapable of stepping onto the bus. Ramps can accommodate mobility devices up to 33" wide and 600 lbs in weight.

Bicycles
Welcome

All MMT buses are equipped with bike racks. Each bus can accommodate up to two (2) bikes at a time. Passengers who live outside a route area may opt to ride their bike to a nearby stop and board the bus. Maritime Metro does not charge extra for bringing a bike on board and encourages all passengers to incorporate biking into their daily schedule.
