14.020 Regulation of Dogs, Cats, and Other Animals.

(1) Limit on Possession of Dogs or Cats. No person shall own, harbor, or keep in his possession at any one dwelling, at any one time more than three dogs and more than three cats over six months of age, nor more than a total of 12 dogs or cats of any age, for more than three days, nor shall any person retain a litter or portion of a litter of dogs or cats longer than four months, if such litter or portion of a litter increases the total number of dogs or cats to more than three, except that none of the provisions of this subsection apply to the licensee of a duly licensed kennel.

In rare circumstances, the Chief of Police or his designee is authorized to issue a permit allowing a person to keep up to four dogs or four cats at one time in any one dwelling upon receipt of an application accompanied by a \$15.00 fee. In determining whether or not to grant any such permit, the Chief of Police or his designee shall consider the likelihood of a public or private nuisance and may contact residents in the neighborhood prior to making a decision. An initial inspection of the property by the Chief of Police or his designee shall be required to confirm that all animals are properly cared for, sheltered, and do not pose a health problem within the property. Any applicant seeking such a permit shall further agree in writing to make their property available for such inspections by the Chief of Police or his designee as a condition of obtaining the permit. Any such permit granted shall be limited to specifically identified dogs or cats owned at the time of permit issuance and shall not automatically apply to later-purchased dogs or cats.
