Drivers enter only when there is a safe gap in traffic.

Drivers must yield to all traffic coming from the left.

The entering driver (red) is at fault due to failure to yield to the circulating vehicle (green). The driver in the inside lane of the roundabout can either exit or continue circulating. Entering vehicles must yield to all traffic coming from the left.

Damage to red vehicle, a result of failure to yield to the circulating traffic.
In this type of crash, the driver of the RED car is at fault for failing to obey the lane use signs and choosing the incorrect lane.

Drivers wishing to turn left must be in the left (inside) lane before entering the roundabout.

Drivers in the outside (right) lane are not allowed to turn left, they must exit the roundabout. Drivers in the left lane may exit or turn left.

Multiple signs and pavement markings on every approach remind drivers of the need to choose the proper lane. Failure to use the proper lane can result in a ticket or a crash.

As with any other intersection, the proper lane must be chosen before entering a roundabout.

In advance of the roundabout, signs and pavement markings will always indicate which lanes may be used for the direction you want to go.

Keep left to turn left through the roundabout and keep right to turn right.

Never change lanes within a roundabout.
