- * Assumes weekday burial before 2 p.m. between April & November. Additional fees apply for burials in winter, after 2 p.m., on Saturdays, or on holidays.
- ** If you purchase a marker from Zabel or Hofmann Monuments, they typically collect the foundation fee at time of marker purchase. In that case, you would not pay the cemetery for the foundation fee.
- *** Comparison assumes maximum marker size for 2 spaces. Foundation fee could be \$155 for a marker with a base 24"x12" or smaller.
- **** Deduct \$220/niche if purchasing a niche(s) in the top row or bottom two rows.
