

Façade Grant Program

DEAD BY DAWN

ABOUT THE PROJECT

Originally built in the 1850s, support for this project helped to replace the original windows with those that maintain the historical arch. The building details were also repainted to align with an appropriate historical, Victorian color scheme. Currently utilized as both a Halloween-inspired business, bed & breakfast and personal residence, the updates have enhanced that corner of South 8th and Franklin Streets.

PROJECT HIGHLIGHTS

- \$30,000 Façade Grant Award
- \$65,000 estimated restoration project
- Replaced and matched original windows
- Reinstated Victorian paint color scheme

2018
