

## About the Zoo

Lincoln Park Zoo is a great place for the family to spend an afternoon. Located right on the banks of the Little Maniwoc River, guests will see not only zoo animals, but many species of wild birds, mammals, reptiles and amphibians. Lincoln Park Zoo prides itself on quality, natural-looking exhibits for its animals and creating an educational experience for its visitors. Guests can discover the habits of the animals they are viewing and how to help with conservation efforts to help their wild counterparts.

## Programs & Tours

Guided tours and education programs are available with reservation. Zoo tours are perfect for scout groups, school classes, summer camps, and even family get-togethers. Programs in the education center can be paired with tours or held separately. Programs or tours are also a great way to spend your birthday at the zoo!

Two weeks notice is required for reservations. Rates depend on group size and program nature. For more information or to make a reservation call: (920)-683-4685.
