I. GENERAL PURPOSE

The Manitowoc I-43 Industrial Park (hereinafter referred to as the "Park") is a planned development owned by the City of Manitowoc (hereinafter referred to as the "City"), and managed by the Industrial Development Corporation of City of Manitowoc (hereinafter referred to as the "Corporation"). The City intends to keep development desirable, uniform, suitable in architectural design, and limited to uses specified herein to insure a high quality environment for the growth and expansion of business and industry in the Park.

The City, as owner of the real property designated as the Park and legally described in Attachment "A", hereby makes the following declaration of limitations and restrictions on said real property and hereby specifies that such declarations shall constitute covenants applied to the land and subsequent development, and which shall bind all parties obtaining interest in said property and their successors.

II. LAND SALE, RESALE, AND MINIMUM DEVELOPMENT CONDITIONS

A. Land Sale and Resale Conditions

Each and every parcel of land in the Park shall be subject to the following conditions:

- (1) Persons or entities which purchase land in the Park (hereinafter referred to as the "Owner"), shall within 18 months of the date of lot purchase, commence construction of a facility or facilities which occupy a minimum of 5,000 square feet of building per acre purchased, and shall have the same ready for occupancy within 24 months of the date of purchase of said lot.
- (2) In the event an Owner fails to commence construction as required in (1) or if the Owner fails to have the facility ready for occupancy within 24 months of the date of purchase, the City shall have the option of repurchasing the land at the price per acre paid for by the Owner, less any unpaid real estate taxes, including proration of current year's real estate taxes to date of purchase, and free and clear of any other liens and encumbrances on the property.

Such option shall be exercisable upon delivery of a written notice to the Owner within 90 days after expiration of the 18-month period or the 24-month period. Repurchase of the property shall take place within 45 days following the exercise of such option on such date as shall be designated by the City. In addition, the City shall deduct from its repurchase price an amount equal to the following:

Original Sale Price of Land x Current Prime Rate of
Interest x Number of Days From Date of Purchase

365 days

377

All uses permitted in the I-1, Light Industrial District of the City shall be permitted, except that the following uses are expressly prohibited:

A. Use Regulations

Said property, or any portion thereof, shall be occupied and used only for light manufacturing and production, fabrication, packaging and assembly of goods, warehousing, and distribution activities; offices directly related to the principal permitted use of the property; as well as scientific, research, laboratory and testing facilities involved in light manufacturing. Commercial and service uses of a consumer nature shall not be permitted.

IV. LAND USE REGULATIONS

The Corporation shall have the exclusive right to grant Rights of First Refusal and Options related to the Park, on such terms and conditions as the Corporation may elect to offer.

III. RIGHT OF FIRST REFUSAL/OPTION POLICY

Each and every parcel of land sold, transferred, combined or resubdivided within the Park shall not result in parcels which are less than one (1) acre in area, and which have a lot frontage less than 150 feet.

B. Minimum Size Industrial Sites

- (5) If the City does not exercise its option under (3), then the Owner may sell said lands to any person, partnership or corporation, and the City shall have no further interest therein except as to the other restrictions contained in these Protective Covenants.
- (4) The City shall have 45 days from receipt of the Owner's written notice of intent to sell, to exercise the option under (3) unless an extension of time is mutually agreed upon and set forth in writing. Acceptance of the option shall be a resolution adopted by the Common Council. If the option is exercised, conveyance to the City shall be by warranty deed, free and clear of all liens and encumbrances.
- (3) In the event an Owner elects to sell any portion of land which is not being used in connection with the business of the Owner, or which the Owner desires to sell, separate and distinct from any sale of the business, the same shall first be offered for sale to the City in writing and filed with the Office of the City Clerk, and the City shall have the option of repurchasing the land at the price per acre paid for by the Owner, free and clear of all encumbrances.

- (1) Uses permitted in the B-3, General Business District.
- (2) Uses permitted in the C-1, Commercial District except that awning and siding manufacturing and sales; printing, publishing and distribution; rental agencies for semi-trailers, trucks, and heavy equipment; wholesale sales; and water conditioning manufacturers shall be permitted.
- (3) Bag cleaning; airports; construction materials and equipment sales; die casting foundry; dry goods at retail; dwelling units; house moving, shoring or underpinning establishments; kennels; loft buildings; motor vehicle service shops, including body repair, automobile painting, radiator and engine repair; paint shops; race courses of all types; bulk storage; storage yards; repair shops; television and radio towers; and tractor and tractor accessory sale, service and repair.
- (4) Uses permitted in the I-2, Heavy Industry District or such uses which are deemed similar to such permitted uses.

B. Interpretation of Provisions

In cases where it is unclear if a proposed use is permitted or prohibited, or where uncertainty exists as to the meaning or application of any part of these Protective Covenants, an interpretation shall be made by the Director of Building Inspections and the Corporation.

C. Minimum Setback/Building Regulations

All structures and buildings constructed within the Park shall conform to the following minimum setback regulations:

- (1) Front yard: Minimum of 25 feet which can be used only for landscape treatment, walks, identification sign, flagpoles, and driveways perpendicular or nearly so to the front lot line. The setback area shall be entirely graded, and seeded or sodded between side lot lines, and from the road shoulder to the building face in a manner that will produce an acceptable lawn.

Parking or storage of vehicles, materials, products or equipment shall be prohibited within this setback area.

- (2) Street Side Yard: Minimum of 25 feet which can be used only for landscape treatment, walks, identification sign, flagpoles, and driveways perpendicular or nearly so to the street side lot line. The setback area shall be entirely graded, and seeded or sodded.

- (3) Interior Side Yard: Minimum of 10 feet with a minimum of five (5) feet of the required yard adjacent to the interior side lot line landscaped with grass, trees, and/or shrubs.
- (4) Rear Yard: Minimum of 25 feet. Those lots abutting a residential zoning district shall have a 50 foot rear yard setback.
- (5) Maximum building coverage: Buildings shall not cover more than 60% of the gross area of the parcel upon which such building(s) are situated.
- (6) No building or structure (except chimneys or architectural features) shall exceed 50 feet in height.

D. Landscaping/Open Space

- (1) All areas not used for building, storage, parking, walks, access roads, and loading shall be suitably graded and drained, seeded or sodded, and maintained in grass.
- (2) At least 10% of each parcel shall be put into landscape treatment which shall consist of shrubs, trees, flowers, and other decorative materials, to the satisfaction of the City Planning Department.
- (3) Landscaping shall be completed within 12 months of the issuance of a certificate of occupancy, in accordance with the approved site plan.
- (4) All landscaped and open space areas shall be continually maintained in accordance with the approved site plan. It is the responsibility of the Owner to ensure that the premises are maintained properly.

E. Maintenance

Each Owner shall keep their property in a well maintained, safe, clean, and attractive condition at all times. Such maintenance includes, but is not limited to the:

- (1) Removal of noxious weeds, rubbish and debris.
- (2) Mowing and maintenance of all lawn areas to a height of less than five (5) inches. Those designated and approved unused lot areas shall be cut a minimum of three (3) times per year, or maintained as an agricultural crop subject to approval of the City Planning Department.
- (3) Maintenance of landscape areas in a healthy and attractive condition.
- (4) Care and pruning of trees and shrubbery outside of easements within property boundaries.

580

- (5) Maintenance of exterior lighting, signs, and mechanical facilities in working order.
- (6) Keeping of all exterior building surfaces in a clean, well maintained condition.
- (7) Snow and ice removal.

F. Utility Easements

All Owners of said lands shall cooperate with the City in the planning and granting, at no cost to the City, of all necessary and reasonable utility/drainage easements, and shall grant such easements provided they do not unduly restrict future development. No building or structure will be constructed over a utility/drainage easement.

Each Owner shall be responsible for required maintenance within identified easements on their properties. The City will retain control and management of retention ponds developed as part of the Park drainage system.

G. Performance Standards

(1) Noise

The sound level recurrently generated from any property in the Park shall not exceed 70 decibels at any zoning district boundary line.

(2) Air Contaminants

No smoke, soot, flyash, dust, cinders, dirt, noxious or obnoxious acids, fumes, vapors, odors, toxic or radioactive substance, waste or particulate, solid, liquid or gaseous matter shall be introduced into the outdoor atmosphere alone or in any combination, in such quantities and of such duration that they would interfere with the safe and comfortable enjoyment of life or property or any use permitted in this Park, or adjacent zoning districts.

The limits on emission for particular contaminants shall be determined and enforced as provided for under the Wisconsin DNR Administrative Code NR 154.02, and 14.51 of the Manitowoc Municipal Code.

(3) Liquid and Solid Waste

Any disposal of wastes on the property shall be done in such a manner that it will conform to the regulations of this section. No wastes shall be discharged into a storm sewer or roadside ditch or drainage area, except clear and unpolluted water. All liquid waste disposal shall be in conformance with the Wisconsin Division of Health Administrative Code Chapter 62, Wisconsin DNR Administrative Code NR 125.01, and Chapter 17 of the Manitowoc Municipal Code.

**(4) Electrical Emission**

There shall be no electrical emission beyond the property line which would adversely affect any other use. Any activity causing or resulting in electro-mechanical or electro-magnetic disturbance or radiation, shall require a written application to, and the approval by the Corporation and the City.

(5) Glare and Heat

There shall be no reflection or radiation, directly or indirectly, of glare or heat beyond the boundary of this Park under any conditions, nor beyond the property line if it would adversely affect any other use within the Park. The Wisconsin, Division of Health Administrative Code Chapter 57 shall be enforced.

(6) Vibration

There shall be no operation or activity which would cause ground transmitted vibrations in excess of the limits set forth below beyond the boundary of this Park under any conditions, nor beyond the property line if it would adversely affect any other use within the Park.

<u>Frequency</u> <u>Cycles Per Second</u>	<u>Maximum Permitted Displacement</u> <u>Along Subdivision Boundaries (in inches)</u>
0 to 10	.0008
10 to 20	.0005
20 to 30	.0002
30 to 40	.0002
40 and over	.0001

H. Site Storm Drainage

No land shall be developed and no use shall be permitted that results in the flooding, erosion, or sedimentation of adjacent properties. All runoff shall be properly channeled into a storm drain, watercourse, storage area, or other storm water management facility.

V. SITE PLAN APPROVAL

No building permits for development within the Park shall be obtained from the Department of Building Inspections without first having a site plan submitted to and reviewed by the City, and approved by the Corporation in accordance with 15.37(2) of the Manitowoc Municipal Code.

In addition to the requirements of 15.37(2), the following shall be submitted in order to satisfy site plan submittal requirements:

- (1) Building elevations which identify and show that construction and finish materials requirements have been met.

R3616 53 12

VOL 3616 PG 53

582

- (2) Fence elevations, plans or other relevant information showing how stored materials (indicate type and quantity) will be screened.
- (3) A sketch of all proposed signs, indicating their size, location, height above ground level, materials to be used, sign information, and lighting characteristics.
- (4) Location and description of planting materials to be installed, and accompanying planting schedule identifying landscaping to be installed within 12 months after date of occupancy.

In the event the Corporation fails to approve or disapprove a site plan within 30 days after submittal to the City, such approval will not be required, and the site plan will be deemed to have been in compliance with this covenant.

VI. ARCHITECTURAL AND DESIGN CONTROLS

A. Buildings

For parcels located east of Dufek Drive, at least 30% of each exterior wall is to be faced with brick, decorative masonry, natural stone, architectural metal, concrete panels, glass curtain walls, or equivalent finish material. For all other parcels in the Park, at least 30% of the exterior wall area fronting on a public right-of-way shall be faced with brick, decorative masonry, natural stone, architectural metal, concrete panels, glass curtain walls, or equivalent finish material. Standard cinder block, concrete block, painted concrete or prefabricated sheet metal shall not be considered appropriate finish materials. A suitable amount of metal or other trim materials will be allowed as approved in the site plan. Exterior walls not facing public right-of-ways must be coated with a colored finish representing at least 25% of the exterior wall area, and which is a contrasting color to the predominant color on said exterior wall.

B. Non-Building Site Elements

All operations shall be carried on within fully enclosed buildings and no outside activities shall be carried on, except storage of materials used in or resulting from an on-site manufacturing operation, and the parking, loading or unloading of vehicles.

Barbed wire in any form is specifically prohibited unless a demonstrated need for security is evident, upon which written approval shall be obtained from the Corporation.

All storage areas must be located in a rear or side yard area not fronting on a public right-of-way. Storage areas are to be sight screened a maximum of eight (8) feet in height, as approved by the City Planning Department. Such areas shall be maintained to present a clean appearance at all times.

Storage of wood or combustible materials, including pallets or skids, must be on a hard surface and enclosed in a sight screen at least 20 feet from any structure, building or property line.

C. Off-Street Parking and Loading

- (1) The number, size, dimension and layout of parking areas, including identification and location of handicap parking, shall be provided for all off-street parking areas, and approved as part of the site plan.

Off-street parking shall be provided in accordance with 15.43 of the Manitowoc Municipal Code. In addition, one (1) parking space for each truck or vehicle stored or kept on the property shall be provided.

There shall be no on-street parking or loading permitted on any publicly owned right-of-way located in the Park.

- (2) Off-street loading shall be permitted in any required yard, except the front yard and the front one-third of the building located in the street side yard. Loading shall not be permitted in the rear yard of lots located east of Dufek Drive. Off-street loading shall be provided in accordance with 15.43(10) of the Manitowoc Municipal Code.

D. Signs

All Owners are permitted one (1) wall sign and one (1) free standing ground sign, which may identify more than one (1) occupancy. Sign information is limited to company name, address, logo and identification of its chief product(s).

Ground and wall signs shall, at minimum, maintain at least a 1.5:1 length to height ratio, and shall not exceed 150 square feet in area on lots with less than 200 feet of frontage, and shall not exceed 300 square feet in area on lots with 200 or more feet of frontage. Ground signs must include a landscaped setting of ornamental shrubs, flowers, groundcover, decorative materials, and the like, in an area equal to a minimum of two (2) times the area of the sign. The landscape area must be set back a minimum of 15 feet from street right-of-ways.

For lots located east of Dufek Drive, a second ground or wall sign will be permitted in the rear yard area directly adjacent to I-43. The maximum size of this sign shall be 200 square feet, and shall be located not closer than the rear yard setback line.

Sign lighting, if desired, must be ground-mounted, and hidden from view from the street. Signs may be internally illuminated.

Directional signs shall be a post and panel system, and shall be permitted in addition to allowed identification signs, for such purposes as "in", "out", "visitor parking", "employee parking", and the like.

Signs painted on walls, off-premise signs, projecting signs, and movable signs shall not be permitted. No roof-mounted billboards, or signs projecting above the top of the highest exterior wall will be permitted.

~~583~~

584

All lettering on the building must be smaller in height than 20% of the wall height, and all of the combined graphics shall not be longer than 50% of the wall length.

No moving, animated or flashing light signs shall be permitted within the Park.

E. Utilities

All service-related utilities (excluding necessary utility pads) shall be placed underground. No one shall in any way disturb the functioning of overhead or underground utilities in the Park, without the written permission of the Corporation and Manitowoc Public Utilities. Overhead facilities may be extended with approval of the Corporation and the Manitowoc Public Utilities.

VII. AUTHORITY

By its adoption and approval of these Protective Covenants, the Common Council of the City of Manitowoc hereby authorizes the Corporation to exercise the powers and duties prescribed herein to be exercised by the Corporation. This authority shall continue until specifically amended or withdrawn by the Common Council.

VIII. ENFORCEMENT

The enforcement of these Protective Covenants shall be by proceeding at law or in equity against any Owner(s) violating or attempting to violate any covenants, either to restrain violation or recover damages.

Invalidation of any of the conditions, covenants or restrictions contained herein, or the failure to enforce any of these at the time of a violation, shall in no way affect any of the other conditions, covenants or restrictions, nor be deemed a waiver of the right to enforce the same thereafter.

If any Owner has failed in any of the foregoing duties or responsibilities, then the City may give such Owner written notice of such failure, and such owner must within 10 working days after receiving such notice, rectify the problem.

Should any Owner fail to fulfill this duty and responsibility within such period, then the City, through its authorized agent, shall have the right and power to enter onto the premises and perform such care and maintenance without any liability for damages for wrongful entry or trespass. The Owner for which such work is performed shall promptly reimburse the City for such cost. If such Owner shall fail to reimburse the City within 30 days after receipt of a statement for such work, then said indebtedness shall be assessed against the lot Owner's annual real estate tax bill.

IX. VARIANCES

Notwithstanding anything herein contained to the contrary, the Corporation expressly reserves the right to authorize variances from the strict application of these Protective Covenants, where owing to special conditions, a literal enforcement of the provisions of these covenants will result in practical difficulty or unnecessary hardship, so that the spirit of the covenants will be observed and substantial justice done. Any variances hereunder shall be in writing.

X. AMENDMENT AND OWNERSHIP

These Protective Covenants may be changed, modified or amended at any time, in whole or in part, by a majority of Owners in the Park, together with the approval of the Corporation and the City. For the purposes of determining the vote of the Owners in the Park, each Owner of land in the Park, other than the Corporation or City, shall be entitled to one vote regardless of the amount of land owned.

In cases where a parcel of land is under the ownership of more than one (1) party, the record Owner(s) shall be entitled to only one (1) vote. The vote of any Owner shall be evidenced by the signature of an authorized representative of that Owner, which need not be acknowledged or notarized.

These Protective Covenants may be modified and amended only upon the recording of an instrument in the office of the Manitowoc County Register of Deeds.

DECLARATION OF AMENDMENT NO. 1 TO
MANITOWOC I-43 INDUSTRIAL PARK
PROTECTIVE COVENANTS

CITY OF MANITOWOC, WI

WHEREAS, the "Manitowoc I-43 Industrial Park Protective Covenants, February, 1990" (hereinafter referred to as the "Covenants") were originally recorded in the office of the Manitowoc County Register of Deeds on May 4, 1990 as Document No. 668256 in Volume 717 of Ordinances beginning at Page 574; and

WHEREAS, the Covenants were created to impose limitations and use restrictions upon lands comprising the Manitowoc I-43 Industrial Park in the City of Manitowoc (hereinafter referred to as the "Park"); and

WHEREAS, said Covenants cover the geographic area which is legally described beginning on page 586 of the recorded Covenants; and

WHEREAS, the City of Manitowoc (hereinafter referred to as the "City") desires to sell Lot 1, Block 1 of the Manitowoc I-43 Industrial Park Subdivision No. 1 (hereinafter referred to as the "Property") which is covered by the Covenants to Menard, Inc. for the development of a warehouse facility and expansion of the company's outdoor and bulk storage area which are land uses prohibited under Section IV. A. of the Covenants; and

WHEREAS, the undersigned are seeking to amend the Covenants to remove the Property from the area covered by the Covenants, and to allow the proposed land use upon the Property; and

WHEREAS, the undersigned further desire to expand the coverage of the Covenants to include a portion of the land recently purchased by the City for the future expansion of the Park; and

WHEREAS, Section X of the Covenants provides that the Covenants may be changed, modified or amended by approval of the Common Council of the City, and the Manitowoc Industrial Development Corporation, together with a majority of grantees or land owners in the Park, as evidenced by written declaration signed by the parties and recorded in the office of the Manitowoc County Register of Deeds; and

WHEREAS, at the date of this Amendment No. 1, the grantees or land owners of record in the Park are as follows:

1. Greystone Realty, LLC, a Wisconsin Limited Liability Company
